*Live in harmony with...*

# ...style & grandeur in life

Varma Homes' new project Varma Harmony creates an exceptional experience of luxurious style and grandeur in your life. The single tower with ground floor and 4 floors has a total of 28 units of luxury apartments consisting of 2 BHK ranging from 1074 sq. ft. to 1475 sq. ft. and 3 BHK ranging from 1458 sq. ft. to 1771 sq. ft. This grand project stays upright in an area of 46.30 cents at one of Kochi's most sought after residential areas – Edappally.

## ...location of socio-economic prominence & connectivity

Edappally, being one of the major commercial centres and residential regions in Kochi is a prime location of socio-economic prominence and connectivity. On the economic side, Lulu Mall and many other commercial centres stand in close vicinity. To enhance the social milieu of the location, we have Changampuzha Park and other religious centres in close proximity. As one of the busiest junctions in the city, there are many roads that pass via Edappally to different directions keeping you well-connected. The Cochin Bypass joins Edappally to Aroor. National Highways 544 and 66 join the Cochin Bypass at Edappally. Kochi Metro also passes through Edappally.
